Hello everyone, it's Yuno.
The first season of
Hawking is officially over.
Thank you all for reading!

I want to thank the original author of Hawking, Ira Greenmyer, the editor, and all the people who helped with this season.
You've really worked hard!
(I am in your care next season too.)

It was like riding high-speed bullet-train
all the way until the deadline of
the last episode of season 1.

I didn't go outside, and I
didn't use my computer the
entire time. I felt like there
was mold growing on me...

I couldn't have
finished season 1
without the help
of many people.

The second fanbook for season 2
will be published soon.

I collected a lot of little bits
for the afterward. It isn't much,
but please enjoy yourselves.

Ah, I took a break during Christmas...

The readers are kind...

Ono Saeng Gwang prosecutor's first look

He looks a little like a bad guy.

This is a normal face ...

... and when in thoughts

Im Woojoo looks like he does in the final edit,
but a little older.

« Who are those two? »

Cho Seung Gwang

Prosecutor Greg

Detective Jo

No way...
2...

There was a
time when
he was long
haired, but
I didn't
like it so I
changed it
to the blue
hair you see
now... :)

Detective Oh

Chief Hwang

Prosecutor Woo

Detective Im

When I started working on the animation,
I based the personality of the characters on their looks.

There are other initial character
designs, but I'll save those for later :D

④ Lyx (background assistant)

Lyx is the background assistant. She has unique style, is shyful, and works very fast! She really made a difference in Hwang's quality.

-The separate role of 'The Sang Yoon/Basement/Cross scene'

The lighting at the surgery room

It is a long and dark basement

You focus
the center of
the room

The surgery table

When I draw something ugly,
as if it was drawn by my foot,
and add explanations, Lyx draws
it with video-game quality.

Ugh, It really pretty...

Ik Sang Yoon's hospital and office

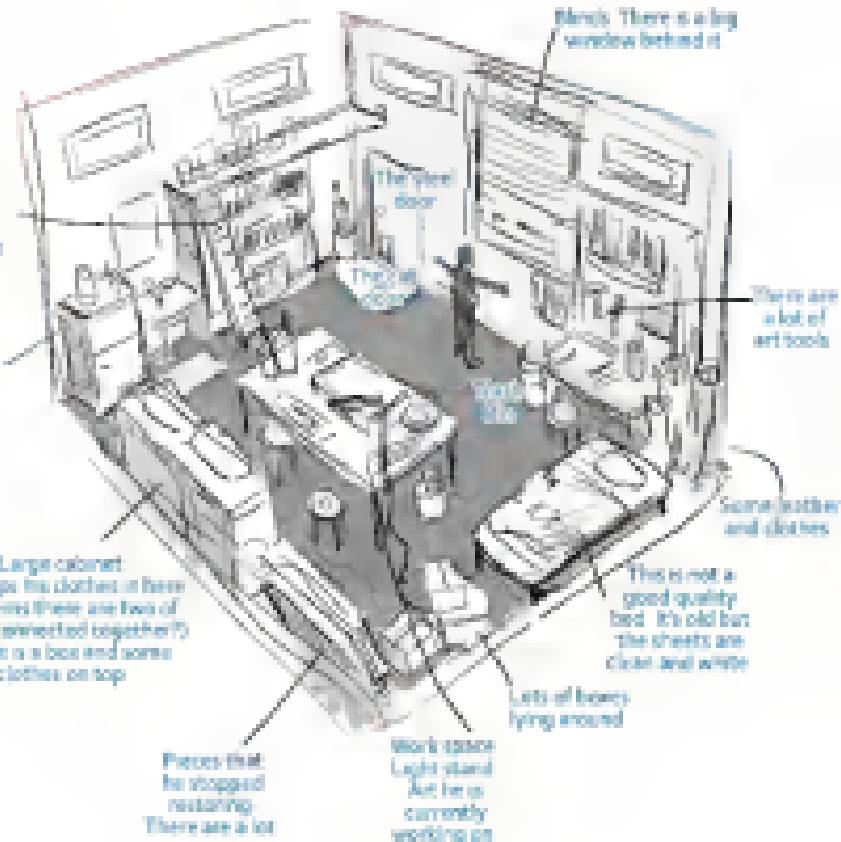

This is Ja Woon Min's house and office (I'm only showing the office)

Second floor
is his
work of life

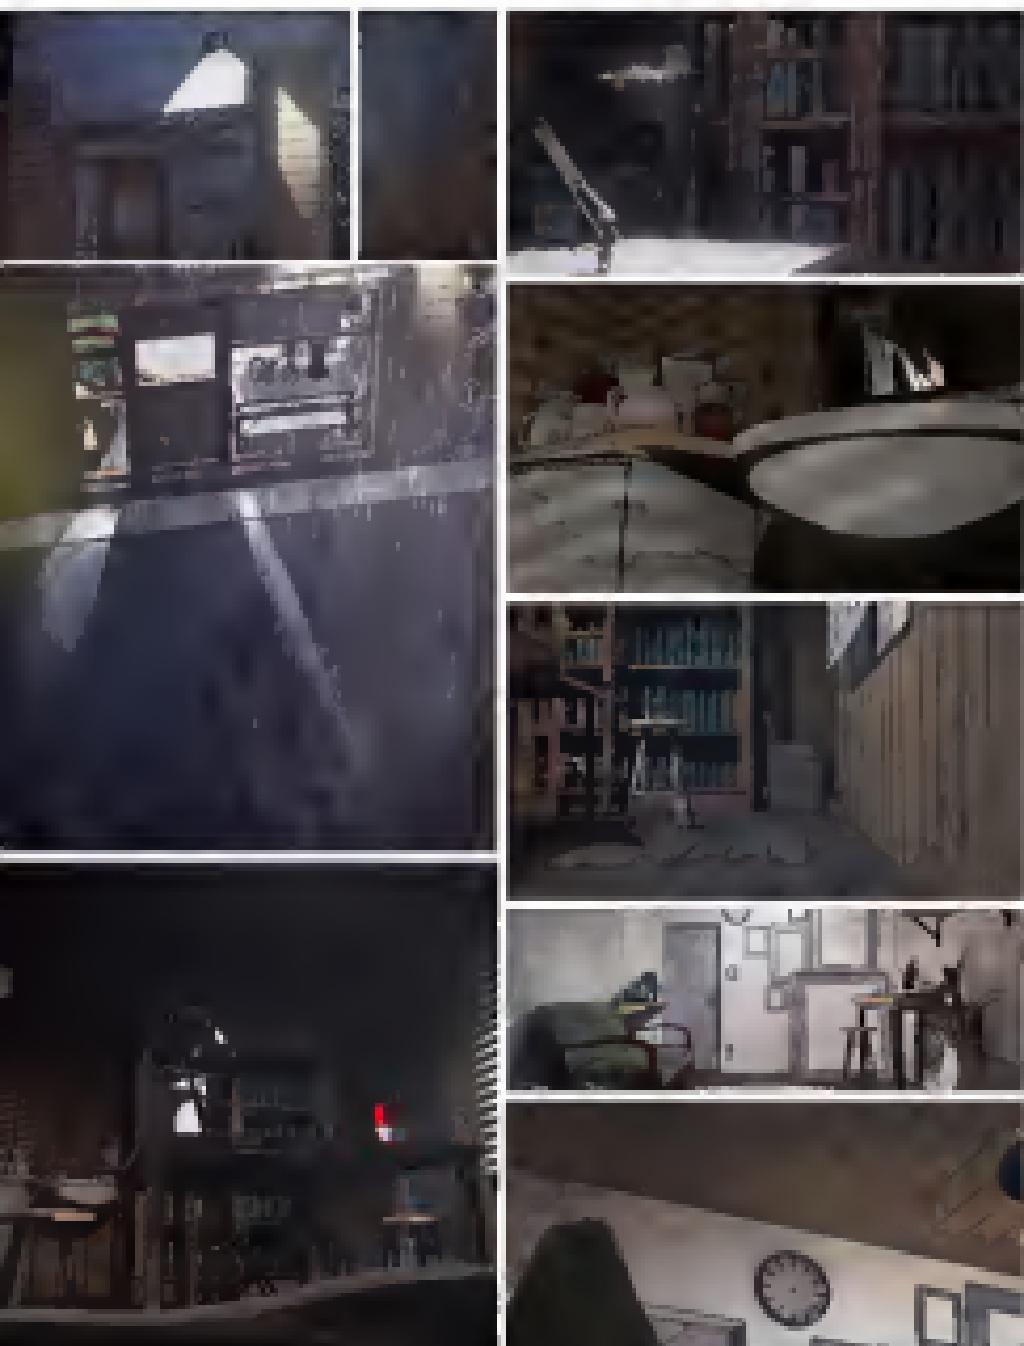

Bookcase and cabinet: There is a foldable ladder, but the art tools in it are not being used, so he just leaves it there.

Fridge: There are things for coffee on top of it, like a cup in shows how he lives.

What it looks like at the end

Hello, I'm Lyc. I was in charge of the background from chapter 5 onwards. I didn't want to change the atmosphere of the work when I started on this series because I was the artist's fan, but I didn't know that her art was a clean style like this. It was really hard for me to draw neatly, so I changed everything to 3D after episode 6. Thankfully the artist's drawing style matched the 3D work, so I kept it like that until the end of season 1. I'm planning on studying more during the break to create prettier backgrounds!

These are all fine art that I received from
my friends as a gift for finishing season 1.

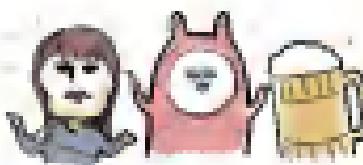

Thank you!!

Sob. I am happy

This is the end of the afterward.
It was a dark story about crime and
investigation, so I kept the afterward light.
I mainly wrote about the artwork, but
perhaps next time I will talk more about
the story. Thank you for cheering me on and
giving me stars in your reviews and comments.

Thanks to the assistants who
helped me with base coloring,

YOU SAVED MY LIFE

I am going to take a rest and prepare for season 2.
